The United States of America, Gale Norton, Secretary of the Interior, the Department of the Interior, and the National Park Service, defendants (hereinafter referred to as the United States) in Case No. A03-0263-CV (JKS), move the Court for an order granting the parties an enlargement of time from December 6, 2005, to and including December 9, 2005, in which to file the

report required by the Court's Order From Chambers (Docket Entry 38).

In support of the above motion, the United States shows:

1. Pursuant to the Order (Docket Entry No. 56) filed December 1, 2005, the parties were granted until December 6, 2005, in which to file a status report required by Order From Chambers (Docket Entry 38).

2. The parties have exchanged proposed status reports, and believe that they have essentially reached agreement on that report, which the United States will file on behalf of the parties. The United States, however, has experienced some difficulties because of unfamiliarity with the program and format of the draft initially prepared by plaintiff Shearer in converting and finalizing that draft for filing with the court. Therefore, additional time is requested for the filing of the joint status report.

Dated this 6th day of December 2005.
